Dear Simon,

with this letter, we would like to express our appreciation of the work you are doing and have been doing on behalf of our LITHOFIN-Brand.

Your outstanding work as a professional applicator has been a great help in establishing and strengthening our reputation for providing impregnators and sealers of the highest quality to the Australian market. Your dedication to providing customers with information and well-founded advice ensures that our common customers know how to properly treat and maintain their natural stone surfaces and are therefore able to fully enjoy them.

Thank you very much for your commitment and for being a competent and reliable partner.

Very best regards from Wendlingen
